HOW TO JOIN M1 SWIMMING CLUB ONLINE

To become an M1 Swimming Club and Swimming Victoria Member you must join/re-join online and pay your annual membership fee with a credit card. If you do not have access to a credit card you will need to ask someone to do it on your behalf.

Before joining, please note the following:

- The swimming season starts May 1 and ends April 30 each year. To get the best value for money, it is suggested that you join by September each season.
- In order for swimmers to compete at galas, the "Full Membership" or "M1 Gala Membership" option needs to be selected when joining/re-joining the club. Please note that the "M1 Gala Membership" option is cheaper as it only permits swimmers to compete at meets conducted by M1 Swimming Club.
- If you have multiple people in the family joining and/or re-joining the club, you need to go through the process of joining each person separately. For instance, if you wish to join/re-join three people, there will be three separate transactions.
- As an incentive to encourage families to join multiple people, the club is offering a uniform voucher to the value of \$10 per member for families that join **three or more people** in the same season. Simply email the club (m1swimmingclub@hotmail.com) once you have joined three or more members and the club will issue you with a voucher which can be presented at the uniform table at any gala.
- Once you join the club, you will be added to the email list and will be sent news and information at least once per term. Members are encouraged to regularly visit the club's website, m1swimmingclub.org.au.
- Competitive members are encouraged to wear club uniform (consisting of a t-shirt and swimming cap) when competing. Uniform is available for sale at galas held in June, September, December and March each year.
